

Lung cancer is serious business. We've brought in a serious expert.

St. Luke's Cornwall Hospital Welcomes Lyall Gorenstein, M.D.

When it's a condition of the lungs, such as cancer or respiratory disease – or an abnormality of the aorta, or any condition where you may need a thoracic surgeon, you want a pro. You want someone who is experienced and accomplished, with a record of success. **And we've brought him to St. Luke's Cornwall Hospital.** • Dr. Gorenstein has trained, practiced, and taught at University of Toronto, M.D. Anderson Cancer

Center, and Columbia Medical Center where he currently serves as an Assistant Professor of Surgery. He is a fellow of the American College of Surgeons, of the American College of Chest Physicians and has been board certified by the American Board of Surgery since 1990 and by the American Board of Thoracic Surgeons since 1993.
